Fiscal Analysis

ASSUMPTIONS:

Department of Justice

Motor Vehicle Division

1. Administrative costs will increase \$5,032 in FY 2004 for programming to add a new suspension to the motor vehicle application system and track the treatment program requirement.

Judiciary

2. This bill adds to penalties for a third conviction of DUI by requiring the individual to complete a residential alcohol treatment program of at least 90-days. If the person is indigent, the cost shall be borne by the state. The 1st through the 3rd offense are considered criminal misdemeanors, which are heard in the lower court system. The Judicial Branch is not responsible for criminal costs incurred in the lower courts. Additionally, District Court criminal costs paid by the state do not include any treatment costs. This legislation would have no impact on the Judicial Branch.

Department of Public Health and Human Services (DPHHS)

3. DPHHS currently treats people that are indigent at the facility in Butte. If there are no beds available the person will be put on a waiting list and admitted as beds become available. There is no fiscal impact to the AMD Division.
